

Procedure for the Junior Lottery

Any junior student who is interested in acquiring a parking pass for the 2017-2018 school year will need to complete a parking permit application and submit it to SSO on Monday, August 21ST, 2017, through Friday, August 25th, 2017.

All applications collected during the five-day window in August will be entered into a junior lottery to determine placement on the junior waiting list. Junior lottery selection will begin once school has started. Once notified, selected juniors will have three days to purchase their permit. If the permit is not purchased within three days, the application will be placed at the bottom of the junior lottery. Prior to purchasing a parking permit, students must have paid, in full, all outstanding school fees and/or obligations including the 2017-2018 school year fees, by the date of permit purchase.
